II. MHQ Update-

MHQ sent out a Doodle poll for our May transition meeting and never received a full response. A new Doodle poll was sent today, if you could please respond ASAP. MHQ is waiting to move forward with strategic membership invitations to the prospect list after Dr. Dukes and Dr. Parker have reviewed the prospect list and done their personal reach-out. We have also almost completed the transition overview document and performed an invoice clean up, resulting in only 5 open membership dues invoices currently.
